

SAFER LOGISTICS AWARD

The Safer Logistics Award is a celebration of safety excellence in the logistics and supply chain sectors. The award recognises the most impressive achievements in a safety campaign or project throughout the industry over the past 12 months, honouring the key individuals and teams involved. The implementation of this campaign must not have taken place any earlier than 1 January 2018 and any campaign launched prior to this date are not eligible for entry.

Key tips for your entry

1. Keep information simple

Please keep your sentences short and easy to understand. Not all of the judges are technical experts so please don't assume they will know acronyms or technical lingo. Simply submit your text in language that is clear, precise and simplistically highlights the merits for its submission.

2. Project or campaign must be new

We will disqualify any entry that was launched prior to 1 January 2018 so please ensure that your entry meets this criteria or it will not be accepted. Your campaign must have been successfully launched no earlier than 1 January 2018. If it is found to have been launched prior to that date you will be disqualified.

3. Eligibility

You do not have to be an exhibitor of the Fire Safety Event, Health and Safety Event or any other exhibition organised by Western Business Media to be eligible to enter the awards.

4. Provide detail about the performance of the campaign

The judges need to know details on how and why the campaign or project was launched and the positive impact it has made. Please provide verifiable evidence that the initiative has resulted in significant improvements to either the health & safety of processes and employees in a logistics or supply chain setting.

5. Legal proceedings

If your company has been subject to any prosecution in relation to health and safety law (or fire safety law or) since 1 January 2018, or has been subject to any enforcement notices, then your entry will automatically be disqualified.
